

Proclaiming **7 Mid-Night Hour Prayers** for the **RESCUE OF NIGERIA**

Developments in the past 2 weeks should be of great concern to every well-meaning Nigerian and especially the church.

For all of us who have eyes that can see, Nigeria requires divine intervention urgently to avert the looming catastrophe hanging over this nation.

A flood of evil is determined against this nation by the powers of darkness, but God forbid that we be found sleeping lest sudden mischief come upon us unaware.

Remember, in the days of Noah while people went about eating and drinking, getting married, and giving in marriage, building houses, planting vineyards and so forth, they did not know when suddenly the flood **CAME** and flushed them all away. May the days of Noah not repeat themselves in our days. — *Mat. 24:37-38.*

...and several other killings and abductions as earlier circulated.

From all the above, we can see that the church has been under the continuous assault of Jihadist for upward of 15 years, with thousands of lives lost, and several churches burnt down. We can also see a nation under siege that is

crying for rescue. This is why we must rise up to the occasion as we engage our spiritual arsenals on the altar of prayer, for the rescue of our dear nation.

As we are all aware, Nigeria has been held hostage by the powers of darkness for years. Its time to blast the prison gates open through the effectual fervent prayer of the saints.

As I have always said, what you don't want, you don't watch, what you don't resist has the right to remain and what you don't confront, you cannot conquer.

We saw how Paul and Silas prayed and sang praises unto God in the midnight and as God stepped in, the foundation of the prison was shaken, all the doors were opened and their bands loosed and they stepped into their glorious liberty. — Act. 16:25-30

God will step in on behalf of the saints in Nigeria and bring an end to the wickedness of the wicked in this country.

Secondly, in the parable of the ten virgins, we saw how the bridegroom showed up in the midnight. Jesus will show up as we call on Him in these 7 Mid-Night Hour Prayer sessions.

And as the Lord lives, the testimonies shall be instant This is a call to Christians across the length and breadth of Nigeria, as many as love the peace of this nation.

Therefore, by the prompting of the Holy Ghost, I am calling on all Nigerian Christians including those in the diaspora, to engage in 7 Mid-Night Hour Prayer sessions for the rescue of the soul of Nigeria between 12 midnight and 1 am, beginning from tomorrow, Sunday Nov. 23rd to 29th 2025

As we all know, when we pray according to His will (His word), He hears us. We should therefore engage the scriptural references on each prayer points as we pray. — 1Jhn. 5:14-15

Secondly, for all of us who are filed with the Holy Spirit, we should pray extensively in the Spirit, that is in other tongues, because the Holy Spirit helps us to pray according to the will of God — Rom. 8:26-27

Remember, the Bible admonishes that we should pray for the peace of Jerusalem (nation) for they shall prosper that love their nation — Psa. 122:6

Intercessory prayer guidelines are as posted.

More often than not, until vengeance shows up the wicked may never give up.

The God of vengeance will show up on our behalf and there shall be instant testimonies in the name of Jesus Christ. Amen

Jesus is Lord.
